ALL SEMI-PERMANENT COSMETIC PROCEDURES IS A TWO-STEP TREATMENT:

An initial application is incomplete until after a follow-up appointment, which must be scheduled approximately 6-10 weeks after your initial appointment. There is no additional charge for the follow-up appointment after your initial application as long as it is performed within three months of the initial application otherwise follow-up is considered forfeited.

The ideal time for the follow up visit is 6 to 10 weeks. If you have a mature, thin or sensitive skin we recommend to wait 8 to 10 weeks since they take longer to heal.

WHILE YOUR SKIN HEALS, BE PREPARED FOR THE COLOR INTENSITY OF YOUR PROCEDURE TO BE SIGNIFICANTLY LARGER, SHARPER, BRIGHTER, OR DARKER than what is expected for the final outcome. This is a normal and expected result of the application and healing process. The healing process normally take 7 - 10 days to complete, depending on how quickly the outer layer of your skin exfoliates and new skin regrows to take its place. Since

delicate skin or sensitive areas may swell slightly or redden, some clients feel it best not to make social plans for a day or two following any procedure.

Clients are encouraged to discuss or send in images of the style of brow they like prior to your appointment. If you choose to rebook at a later date, the deposit is transferable as long as it is within the cancellation policy, otherwise all deposits are non-refundable thereafter.

You must schedule your free touch-up with your technician during your initial session. A 50% deposit touch-up fee is required to hold your appointment and will be refunded back to you at the time of your appointment. See cancellation policy regarding follow-up appointments.

- Client only in the procedure room. Though a friend or family may accompany you to your appointment, we have learned it is best that they do not sit-in on your procedure. It is important the artist is able to have their full focus on you and not be distracted by any other person in the room. No children, toddlers, and babies. Though we love children, toddlers and babies, we must kindly ask that you do not bring them with you to your appointment.
- All consent forms and medical questionnaires will be sent via email after appointment is scheduled, must be returned 2 days prior to appointment.
- Clients with old permanent make up must contact me prior to scheduling.
- **CANCELLATION POLICY:** If you need to cancel for any reason, we require that you cancel at least 1 week (7 days) prior to your scheduled appointment so that we may be able to offer this time to another client. If your appointment is cancelled with less than 1 weeks' notice (or in the case of a no-show), your deposit will not be refunded.

Follow-up appointments: There is no charge for the follow-up appointment to a new/initial procedure when it is done within 3 months of the initial procedure. However, in the case of a cancellation with less than 1 week or a no-show, the follow-up is considered forfeited and touch-up fee deposit will be non-refundable. Any following appointments thereafter will be charged as a regular touch-up appointment – a new deposit is required.

- **NO FULL OR PARTIAL REFUNDS** will be given once the service has already started. "Special medical circumstances" MAY be made if there is an issue, this type of refunds are at the technician's discretion ONLY.
